

The first meeting to setup of the EU-platform on Reference Budgets was held on 22nd and 23rd February at the University of Antwerp, Belgium. During the meeting the setup of the platform was discussed, the priorities were defined and a programme for the coming years was proposed. Experts from Belgium, Spain, Czech Republic, Finland, Latvia, the Netherlands, Hungary, Luxembourg, Slovakia, Croatia, Ireland and Sweden participated in the meeting. The presentation of Assoc.Prof. Bistra Vassileva, Ph.D. is available here:

The EU Platform on Reference Budgets is an European network of researchers and institutions involved in the development of reference budgets. The main objectives and activities of the Platform you can find here:
